

Project Management Tool App Flow

1. If Existing user, login with credentials. If not, Register as New User and Login.

2. Once Logged In, user will be taken to Projects Home Page. If user is member of any project, project cards will show up.

3. User can go to respective project details page on clicking respective cards. Task Tab displays table of tasks created for a project.

The screenshot shows the SAT-PM application interface. The left sidebar has a 'Profile' link and a 'Projects' link, with 'Projects' being the active selection. The main content area is titled 'ROOM BOOKING' with the subtitle 'room booking app for hotels'. On the right, it shows 'Created At: 24/7/2024, 12:24:29 am', 'Created By: Sathiyam', and 'Logged In User Role: Manager'. Below this, there are tabs for 'Tasks' and 'Members', with 'Tasks' being the active tab. A filter section includes 'Status' (All), 'Assigned To' (All), and 'Assigned By' (All). An 'Add Task' button is in the top right. The main table lists tasks with columns: Task Name, Assigned To, Assigned By, Assigned On, Status, and Action. Two tasks are visible: 'debug protecta d.rage' (In Progress) and 'login rage' (Completed). Each task has an edit icon and a delete icon.

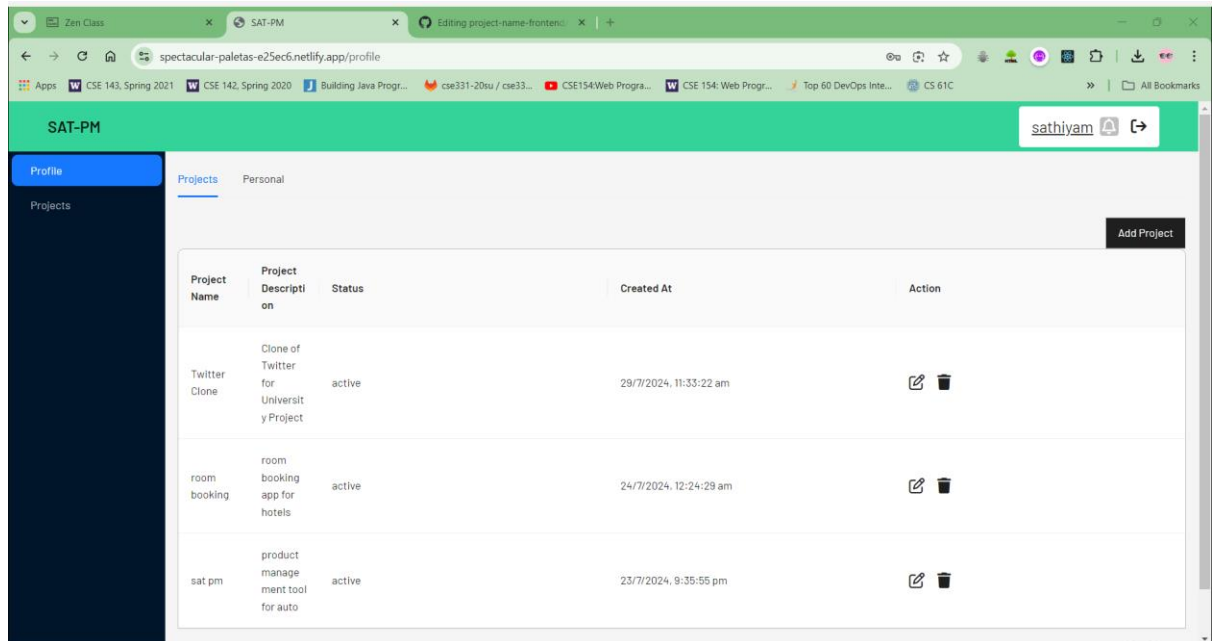

Task Name	Assigned To	Assigned By	Assigned On	Status	Action
debug protecta d.rage	EMPLOY EE1	SATHIYAM	28/7/2024, 10:48:56 pm	In Progress	[Edit] [Delete]
login rage	EMPLOY EE1	SATHIYAM	26/7/2024, 1:53:14 pm	Completed	[Edit] [Delete]

4. Members Tab displays table of members added to a project.

The screenshot shows the SAT-PM application interface, similar to the previous one, but with the 'Members' tab selected. The 'Add Member' button is now visible in the top right. The 'Select Role' dropdown is set to 'All'. The main table lists members with columns: Member Name, Email, Role, and Action. Two members are visible: 'sathiyam' (MANAGER) and 'employeee1' (EMPLOYEE). Each member has a delete icon.

Member Name	Email	Role	Action
sathiyam	sat@g mail.co m	MANAGER	[Delete]
employeee1	employ ee1@g mail.co m	EMPLOYEE	[Delete]

5. Clicking Profile Tab or User Name on Header(top-right) takes to profile page which has project and personal tab. Project Tab displays table of projects created by User.

6. Personal Tab displays User Info card.

7. Project can have three types of users.

1. Program Manager/Manager: User who creates a project will be Manager. Manager can only add/delete Members. He can also add/delete tasks.
2. Admin: Admin can add/delete Tasks.
3. Employee: Can only update status of task assigned to them.

8. Dummy Credentials of Users:

1. Manager:

- Username: sat@gmail.com
- Password: 123456

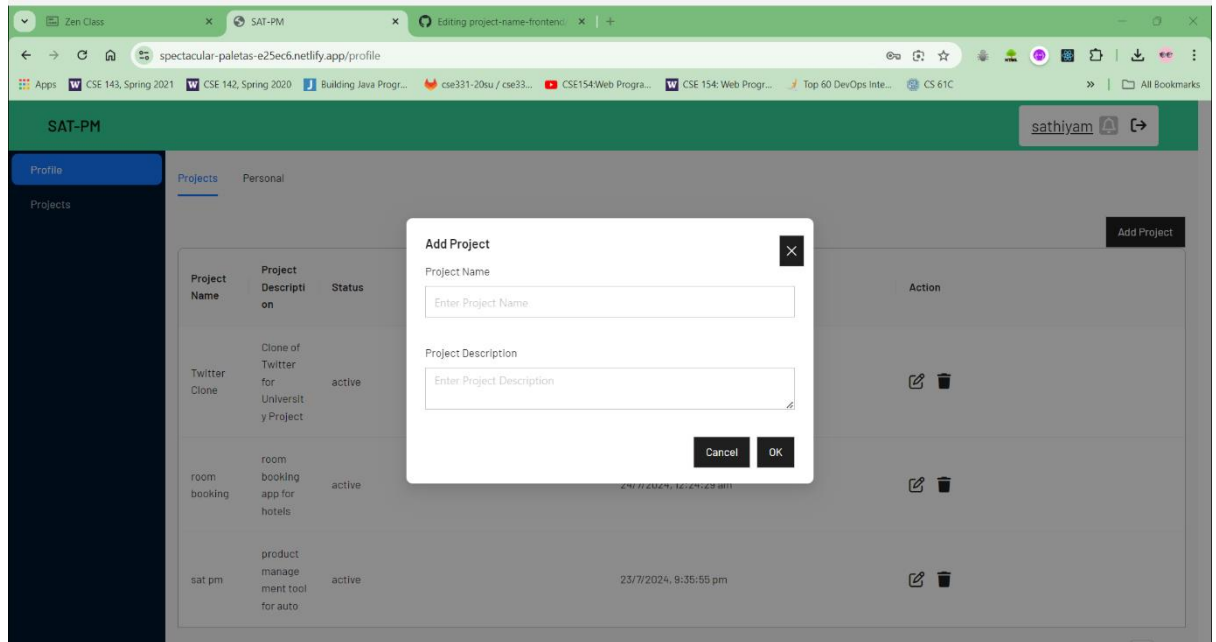

2. Admin:

- Username: admin@gmail.com
- Password: 123456

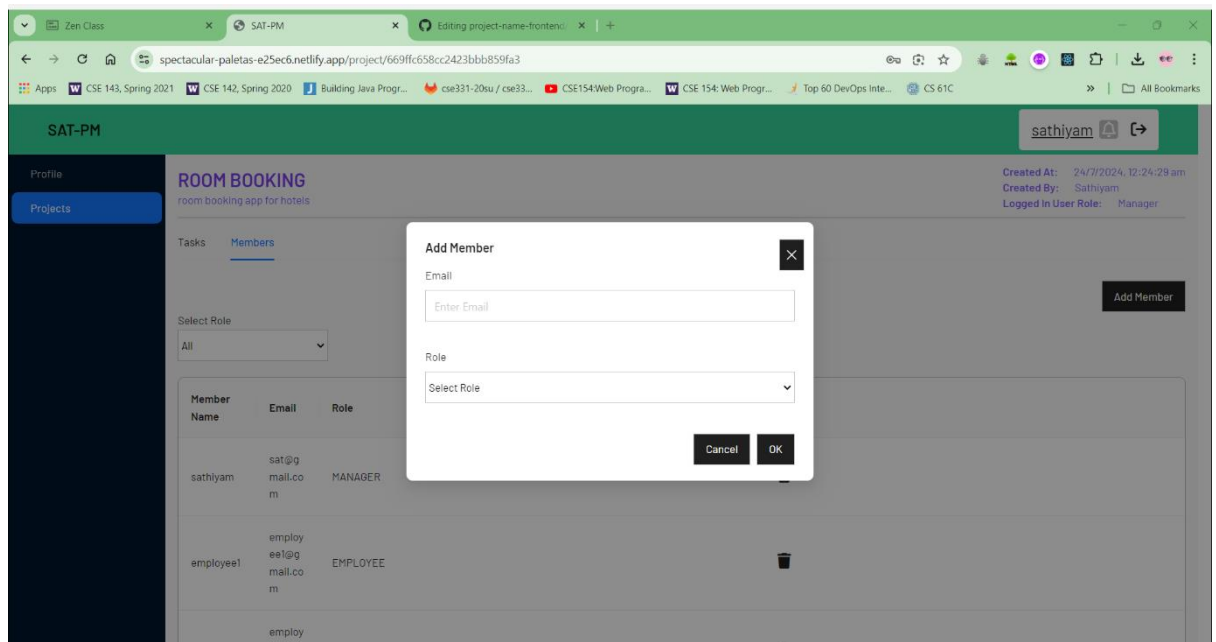

3. Employee:

- Username: employee1@gmail.com, employee2@gmail.com, employee3@gmail.com
- Password: 123456

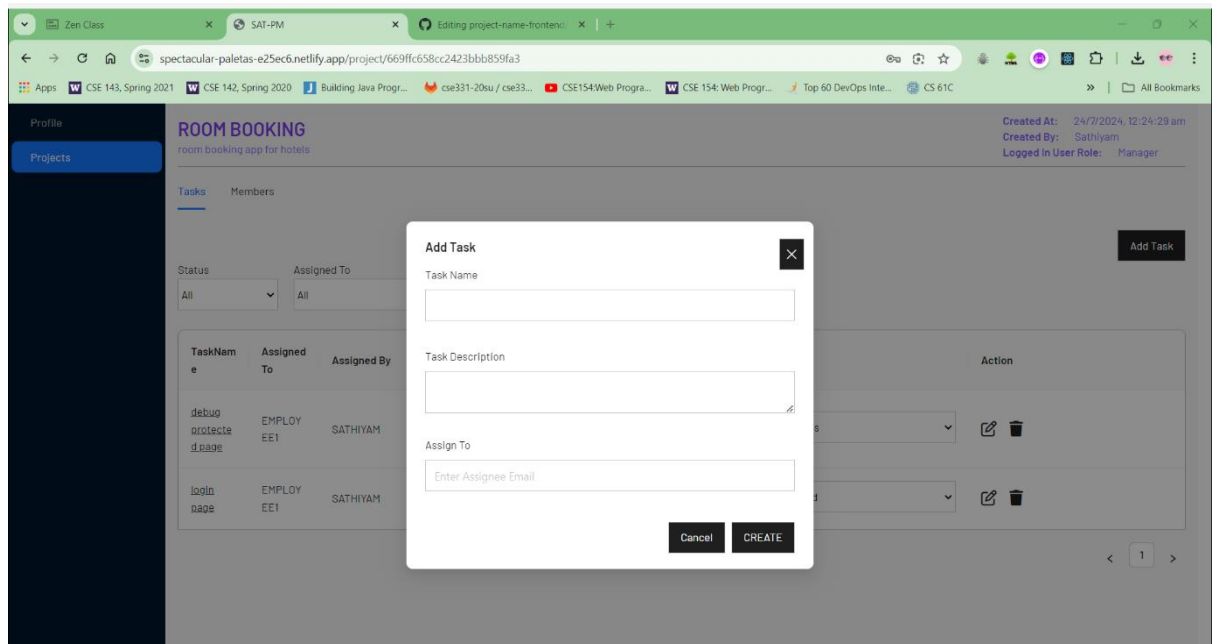

9. Add Project Button in Projects Tab.

10. Add Members Button in Members Tab.

11. Add Task Button in Tasks Tab.

12. Notifications on Header (Top-right Bell Icon). When a task is assigned to a user, assigned to person will get notification. If assignee updates task status, assigned by person will get notification.
